

EARTHQUAKE/DISASTER COMFORT KITS

In addition to basic earthquake/disaster supplies housed at St. John School each child is required to have a comfort kit that will be kept in the student's classroom. This kit will follow the student year to year, from teacher to teacher. If your student is new to St. John School or does not have a kit in place please create one for your child. This kit is designed to calm your child and keep him/her comfortable while awaiting pick up. Due to space constraints only the following items are to be included in the comfort kit (no deviations please):

- Small working flashlight
- Stocking cap
- Small package of Wet Wipes
- One or two family photos not larger than 4"x6"
- One page letter to your child to comfort him/her while awaiting your arrival
- One pair of tube socks
- One small plastic drinking cup – 5 or 6 ounce size

Place all items in a **one-gallon zip lock bag** labeled with your student's name. Your student should bring this the first day of school and give to the teacher.
