Monday, January 29 **Celebrate Our Community**

A central aspect of Catholic education is learning the importance of service to others. When students take part in service activities—both local and beyond—they demonstrate the values and faith they gain through their Catholic education and learn how to make the world a better place. When they observe how others serve the community, they gain an appreciation for how they can continue to serve others their entire lives.

Students are asked to bring **one canned food item** to school to help fill the St. Vincent de Paul cupboard.

This is a **free dress day** for our students. Please refer to the Family Handbook for guidelines.

We pray through Christ our Lord, *Amen.*

Thursday, February 1

Celebrate Our Faculty and Staff; in Our Vocations

The backbone of Catholic schools, teachers are honored on National Teacher Appreciation Day. On this day, schools also recognize the administrators and staff who support teachers in their important work.

Students are invited to bring one flower for their teachers today, in appreciation of their service. Families of students in Grade 4 will prepare luncheon for faculty and staff.

By focusing on faith, knowledge and service, Catholic schools prepare children to use their God-given talents to the fullest later in life. National Catholic Schools Week offers an opportunity for students to explore the many life paths that enable them to use their talents well in the service of God and others — by answering the call to a religious vocation, by nurturing a family through sacramental marriage, by volunteering in church activities and charities, and/or by pursuing a career that makes the world a better place. Adults are invited to speak to classes about their own vocations.

Dress Like a Teacher Day! Yes, dress the way you envision a teacher to dress – be creative and have fun with this!

Today's Prayer

(Making the sign of the cross) In the name of the Father, and the Son, and the Holy Spirit. *Amen.*
Lord Jesus, when you lived and worked and talked amongst the people, they called you Teacher. Help me to remember the greatness of the work, which has been given to me to do. Help me always to remember that I work with the most precious material in the world, the mind of a child. Help me always to remember that I am making marks upon that mind that time will never rub out. Help me to help these children, not only to store things in their memories, but also to be able to use their minds and to think for themselves. And amidst the worries and the irritations and the frustrations of my vocation, help me to remember that the future of the church, the nation and the world is in my hands. This I ask for your love's sake. We make this prayer in the name of our Savior, Jesus Christ, *Amen.*
