This classic story tells of Belle, a young woman in a provincial town, and the Beast, who is really a young prince trapped under the spell of an enchantress. If the Beast can learn to love and be loved, the curse will end and he will be transformed into his former self. But time is running out. Based on the Academy Award-winning animated feature, this version includes all of the wonderful songs written by Alan Menken and Howard Ashman, along with new songs by Mr. Menken and Tim Rice and book by Linda Woolverton. The original Broadway production ran for over 13 years and was nominated for 9 Tony Awards, including Best Musical.

Additional information about preparing for the auditions and important parts of this above website will be coming out soon and posted electronically on the school website.
