

TAKE 10 Jumps

COMPLETE 10 ACTIVITIES over the summer and **EARN A REWARD** when you return to St. John School in the fall!

Math, Reading, Writing, and Wellness. Think of and choose activities in one of these categories, or a combination of (example: 3 math, 4 reading, and 2 writing, and 1 mindful activity).

Ideas for 10 Activities:

Read 10 books, articles, or magazines.

Complete 10 math pages that are at your grade level. The Summer Solutions Workbook is a great resource for math learning. Check out Mrs. Olsen's website for more ideas.

Write 10 poems, short stories, or create a comic book.

Begin healthy mindful habits - do yoga for 10 days, begin a health journal writing about your daily healthy habits for 10 days, or write 10 entries into a personal diary- sharing your feelings and thoughts about your summer. Check out Miss. Shaw's website for additional resources.
