

Supply Drive! Calling all families!

A flyer from the St. John 7th grade students

Greetings!

Hello St. John community! As you might already be aware, construction is being completed on the brand new Martina apartment complexes! They are located on Greenwood Ave., across from the Greenwood library park! These apartments will be an amazing opportunity for local college students who may be struggling with housing insecurity. They will be housing almost 66 students from local community colleges. Unfortunately in the U.S. alone, over half of our nation's college students (20 million), are currently struggling with debt and homelessness. As a welcome to our community, we would like to supply them with some basic necessities to help them get settled into their new homes!

How can we help?

One amazing way to help our new neighbors is to donate dishes, pots, pans, silverware, shower curtains, and target gift cards to put into a welcome home basket! We will be running this supply drive from February 7 to February 21. In order to make donating to this cause as easy as possible for you, we have created a Target gift registry with a list of the items we need! Go to target.com and search for St.JohnSchool-MDI! You are welcome to drop off any items you would like to donate at the drop off boxes we have set up at the flag pole and at the main school entrance! Thank you so much for all of your support!

February 7th through February 21st!

St.JohnSchool-MDI at Target.com
