

## **PreK and Kindergarten Soccer**

Seattle HappyFeet is working with St. John and St. Alphonsus Parish Schools to provide a weekend soccer league for PreK & Kindergarten.

Each week your player will learn a new soccer skill through our unique program that uses fun and exciting games to help kids develop bravery, creativity, and self-confidence, followed by a small-sided game where they will get to use the new skill they learned.

Each player will receive 6 weekly sessions coached by a trained HappyFeet coach, a team jersey, and an end of year medal!
