

Learn Coding

**With WATT (Women Advancing
Tomorrow's Technologists)**

ABOUT US

WATT is a non-profit organization dedicated to introducing girls to computer science at a young age. We aim to create a safe environment for learning and exploring at K-8 schools in the greater Seattle area. We provide strong female role models in the form of our student volunteers with a focus on girls empowering girls.

TIMELINE:

- **Two Sessions**
 - **Fall:**
 - Begins Mid-October
 - Runs 8 weeks
 - **Spring:**
 - Typically begins March
 - Runs 8 weeks
