

Summer Playdates Preschool and Kindergarten

Each summer, St. John School hosts summer playdates for new and existing families to connect. This year we will have each class “host” one of the scheduled playdates. We encourage you to attend your classroom’s hosted date but welcome all families to all playdates!

St John will have a meetup area marked with signage, balloons, and friendly faces. These events are very casual – bring some snacks/drinks/hand sanitizer for your family, grab a name tag, and enjoy!

Location: St. John blacktop play-area, 120 N. 79th St., Seattle, WA 98103
