

Summer Playdates Preschool and Kindergarten

Each summer, St. John School hosts summer playdates for new and existing families to connect. This year, members of our Welcome Committee will host each playdate. While playdates are geared towards our incoming Preschool and Kindergarten families, we welcome new families of any grade to any of the playdates!

St John will have a meetup area marked with signage, balloons, and friendly faces. These events are very casual – bring some snacks/drinks/hand sanitizer for your family, grab a name tag, and enjoy!
