2024-2025 PARENT ASSOCIATION

OUR MISSION

The Parent Association facilitates, encourages and ensures ongoing community-building by providing activities, events, and service to the parish and school community. We accomplish this through ongoing collaboration with the Pastor and Principal.

All parents/guardians/caregivers of students attending St. John School are members of the Parent Association and are welcome to join meetings. For those interested in becoming more active, consider joining the PA team in a grade-level role.

PA REP: Volunteers to support as many school-wide and grade-level events as possible, encourages others to volunteer in support of school and parish events, attends monthly PA meetings, and organizes grade-level socials.
