ParentMap TALKS

Parenting is hard. You don't have to figure it out alone.

We're thrilled to offer our school community **FREE** access to ParentMap Talks — a series of eight expert-led webinars tackling today's biggest parenting challenges.

The 2026–2027 lineup of powerhouse speakers includes:

ADHD Is Awesome: How to (Mostly) Thrive With ADHD
Kim and Penn Holderness | SEPT. 24

SEASON KICKOFF

Human Raised: Helping Kids Flourish in the Age of AI
Dr. Dana Suskind | OCT. 15

When EdTech Disrupts Learning: How Parents Can Speak Up
Emily Cherkin, M.Ed. | NOV. 10

Raising Capable Kids: Are We Helping Our Children Too Much?
Lenore Skenazy joined by Dr. Laura Kastner | JAN. 21

Less Awkward: How to Handle Growing Up, From Early Signs to Hard Questions
Dr. Cara Natterson | FEB. 9

Growing Good Humans: Raising Kind Kids in a Divided World
Uju Asika | MAR. 10

Parent Without the Panic: Worry Less and Trust Yourself More
Dr. Michael Milobsky | APRIL 20

The Motherhood Trap: Why You Feel Like You're Failing — and Why You're Not
Reshma Saujani | MAY 4

See the full lineup and register for the entire series now for **free!**
